

2021/22 ASAA PROGRAM

3A Boys **BASKETBALL**

Mar 17–19, 2022

Strathmore High School, Strathmore

FROM THE ASAA Executive Director

Well, it has now been three years since an ASAA Basketball championship has been held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted – it has been a passion of mine since I was a high school student, then later a high school teacher coach and for many years now, a high school athletics administrator. What I did learn over the past two years since the pandemic started was that the passion students, coaches and parents/guardians have for school sports is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received through the 2021/22 school year so far point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport.

While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the enhanced sanitization and other modifications being applied at this event.

I wish to thank the 3A Boys Basketball Championship host Matthew Laslo, the students and volunteers at Strathmore School for hosting this event. I also want to thank them for pivoting many times as Government restrictions have changed and impacted their planning. They will do all they can to ensure a safe and enjoyable event for student athletes, coaches and spectators both here and at home via livestreaming. We cannot run our championships without these outstanding volunteers.

I wish you all well!

John Paton

Principals Letter

On behalf of the all of the staff and students at Strathmore High School I would like to welcome all participants to this years 2022 3A boys' provincial basketball tournament. If you have arrived here to compete in this event then your season has certainly already been very successful. It has been a long path to arrive back at the point that we are able to once again host provincial championships, it is indeed an honor to be hosting the event this year after having the past two championships shelved.

We look forward to seeing great displays of basketball abilities, athleticism and sportsmanship over the next 3 days and we know that you will all represent your school and communities with grace, honor and humility.

Again, congratulations on an outstanding season and we wish each of you the best of luck during the championship weekend.

Sincerely,

Kyle Larson

ABSOLUTELY NO warming up or playing with balls in the commons area or hallways of CMJHS or SHS.

Conduct of Players:

Players should:

- Conduct themselves in a positive nature/manner during, before and after the game
- Offer positive feedback to opponents during the game
- Shake hands before and after the game
- Be courteous, polite and friendly
- Show good sportsmanship during the game
- Show concern, respect or empathy for an opponent

Conduct of Spectators:

Teams are responsible for their own spectators. Any spectators not acting accordingly will be asked to leave the facility. Air horns and other artificial noise-makers will not be allowed. Spectators should show good sportsmanship and consistently give positive feedback to players, coaches, etc.

Discipline and Misconduct:

The following is the ASAA statement on discipline:

1. The head coach, as a representative of the school is responsible for the conduct of all persons comprising the school's team including assistant coaches, players and bench personnel.
 2. For a coach to address, or permit anyone on his/her bench to address uncomplimentary remarks to any official during the progress of a provincial championship, or to indulge in conduct that might incite players or spectators against the officials, is a violation of the rules of the game and must likewise be considered conduct unworthy of a coach.
 3. Behavior by any member of a team, including all bench personnel, deemed objectionable conduct as defined in the rulebook shall be immediately subject to the penalty prescribed in the rulebook for such an offense.
-

ASAA Code of Ethics and Sportsmanship

Alberta Schools Athletic Association Code of Ethics:

Adults who work with students in interscholastic activities should present a positive role model for them to emulate. Students who represent a school in interscholastic activities must be creditable school citizens.

The Association recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Association presents the following general guidelines.

Fair Play and Sportsmanship:

All competitions must be conducted with a high standard of courtesy, fair play and sportsmanship. All those involved share this responsibility.

- A) Coaches - The coaches must demonstrate qualities of courtesy and good sportsmanship. These are evidenced by proper acceptance of officials' judgment, positive encouragement of player performance and bench behavior.
 - B) Athletes - Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgment and by showing proper respect for opposing athletes as well as for teammates.
 - C) Cheerleaders - Cheerleaders must demonstrate courtesy and good sportsmanship by the appropriateness and timeliness of the cheers they lead, respect for the other cheerleaders and athletes, and their attempts at effective crowd control.
 - D) Spectators - Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of officials' judgment. Artificial noisemakers are not permitted during provincial championship tournaments/events. These noisemakers may include but are not limited to: air horns, cowbells, plastic tube horns, garbage can lids, etc. The provincial championship host shall have the authority to eject from the competition facility individuals who, following a warning, refuse to comply with this requirement.
 - E) Administrators and Teachers Administrators and teachers must demonstrate courtesy and good sportsmanship by their positive examples.
-

Extra Info

Discipline and Misconduct:

Breaches of the ASAA Code of Ethics are treated seriously, and as host, [we] are required to report any breaches to the ASAA office where action may occur. A portion of the ASAA Code of Ethics states, “Any conduct, including, but not limited to ejections, fighting and drugs and alcohol use, that results in dishonor to the athlete, the team, the school or the ASAA will not be tolerated.” (pp 26-28)

Grievance Committee:

All ASAA provincial championship hosts will convene a discipline/appeal committee. The committee will have the authority to address issues of a serious nature that may occur before, during or after a provincial championship match, or to hear appeals of the automatic suspension resulting from an ejection (see ASAA 2019/20 Policy Handbook). The committee may include, but not be limited to, the tournament chairperson, an official, principal and two coaches not in conflict with the issue.

A reminder that a coach or player who is disqualified will receive a one game suspension. If it is the teacher sponsor that is disqualified, and no other teacher sponsor is available for that team, the team will not be allowed to participate in their following game.

Sportsmanship:

Criteria for team/individual sportsmanship awards will be included in coach’s packages as well as given to the committee at the beginning of Provincials. Coaches are asked to fill out nomination papers prior to the end of the Championship. Award will be announced throughout the tournament as well as within one week of event.

Award Presentations:

Awards ceremonies will occur immediately following the Gold and Bronze medal match at Strathmore High School. Teams are asked to line up on the sidelines facing the crowd in front of their benches after the handshake

Emergency Protocol

Emergency Action Plan:

In the event of an emergency the tournament coordinator or first on site will contact 9-1-1. First Aid kits will be located in the PE office at each location.

When an injury occurs:

1. Initially, when coming in contact with the injured student athlete, take control and assess the situation. Exercise universal precautions related to blood/body fluids.
2. Keep in mind the following - Do not move the injured student athlete
 - a) If a student athlete cannot move by him/herself, do not move the body part for him/her
3. Instruct any bystanders to leave the injured student alone
4. Do not remove the student athlete's equipment unless emergency treatment is required e.g. CPR or artificial respiration
5. Assess the injury; evaluate the severity of the injury and decide if further assistance is required
 6. If an ambulance is not needed, then decide what action is to be taken to remove the injured student athlete from the playing surface
7. If an ambulance is required: request assistance from another person by having this person call an ambulance with the all relevant information (nature of emergency, precise location, telephone number of location) and have them report back to you with estimated time of arrival, then send them to the access entrance to wait for the ambulance.
8. Once the call has been placed, observe the injured student athlete carefully for any change in condition and try to reassure the injured student until professional help arrives
9. Do not provide the injured student athlete with food or drink, unless otherwise indicated by situation e.g. diabetes, hydration...
10. Stay calm and speak reassuringly
11. When ambulance arrives, describe incident and what has been done

Emergency Protocol

12. An adult should be designated to accompany the injured student athlete to the hospital to help and document steps taken to treat the injury
 13. The parent/guardian of the injured student athlete must be contacted as soon as possible after the injury
 14. Complete any necessary incident/accident reports and file with appropriate school administrator
