Oilfields School, Black Diamond

FROM THE ASAA Executive Director

Well, it has now been three years since an ASAA Basketball championship has been held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted – it has been a passion of mine since I was a high school student, then later a high school teacher coach and for many years now, a high school athletics administrator. What I did learn over the past two years since the pandemic started was that the passion students, coaches and parents/guardians have for school sports is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received through the 2021/22 school year so far point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport.

While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the enhanced sanitization and other modifications being applied at this event.

I wish to thank the 2A Girls Basketball Championship host Leigh Bretzlaff, the students and volunteers at Oilfields High School for hosting this event. I also want to thank them for pivoting many times as Government restrictions have changed and impacted their planning. They will do all they can to ensure a safe and enjoyable event for student athletes, coaches and spectators both here and at home via livestreaming. We cannot run our championships without these outstanding volunteers.

I wish you all well!

Welcome Provincial Athletes;

On behalf of the staff, students and community at Oilfields High School, we would like to welcome all student athletes, coaches, parents, referees and guests from around Alberta to the 2022 2A Girls Basketball Provincials. It is our privilege and honour to host this exciting and prestigious event at Oilfields High School in Black Diamond, Alberta.

We are proud of our students and athletes who continue to represent the community with energy and character. "Together We Achieve" is at the core of our school community and a reminder that success is a collective effort. This weekend is not only about competing in basketball at a high level, but also celebrating and living in the moment.

We celebrate the courage, drive and dedication it took for you and your team to reach this event. It is an opportunity to compete against some of the best 2A teams in Alberta. It is a chance for you to showcase your effort and commitment to the practices, training, overcoming adversity this basketball season and from the pandemic.

Honour the spirit of competition and the teams that challenged you to be better along the way. They pushed you to your limits, helping you grow, regardless of the outcome. Be grateful for the coaches, volunteers, parents and staff who dedicate time so you can seize the opportunity presented before you. Thank a volunteer here or in your community who helped make this happen. And remember, enjoy the moment! This is an opportunity to be your best, both off and on the court. Enjoy the thrill of competition knowing that everyone involved in the game, the referees, the coaches and the athletes, have acted with the greatest intention and character. In the end, it's this character that will lead you through life. Best of luck!

Chet Musgrove

Principal of Oilfields High School

Welcome to the 2022 Girls 2A Basketball Provincial Championship!

Normally in these welcome notes, I say something about how hard the participants worked to be here. And while this is certainly true this year, I think we should also acknowledge how hard we—as a community—worked to get here also.

This is the first provincial basketball championship after a two-year absence. But here we are, sitting together, cheering together, and experiencing a community spirit together in Black Diamond. Feeling this togetherness is possible because of the efforts of volunteers and sponsors supporting this event, the organizing committee for their countless hours of support and planning expertise, the players and coaches who will make this tournament memorable, and you—the community—who have come to support these athletes and the schools they represent.

Best of luck to all players.

Chris Fuzessy
Superintendent of Schools
Foothills School Division

ASAA Spectator Code of Conduct

Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of the officials' judgement.

Artificial noisemakers are not permitted during provincial championship tournaments/events. These noisemakers may include but are not limited to: air horns, cowbells, plastic tube horns, garbage can lids, etc. The provincial championship host shall have the authority to eject from the competition facility individuals who, following a warning, refuse to comply with this requirement.

The executive Committee or its host/designated representative shall have the authority to direct any person to immediately leave any premises or venue hosting any ASAA sanctioned event if that person:

1. exhibits rude or abusive behavior to any other person
2. uses vulgar, obscene, or abusive language and/or gestures
3. fails to promptly follow a reasonable direction given to that person by the designated representative of the ASAA

Serving Our Community

March 1, 2022

On behalf of the Town of Black Diamond, I'd like to welcome the players, their families and friends, referees, coaches, support staff and all those that made the 2A Basketball Provincial Championship possible. Oilfields High School is an outstanding host, and there is no doubt you'll enjoy the tournament.

While you're here, Black Diamond has a wonderful assortment of activities you can indulge in. A quick walk from Oilfields, you can find yourself on some of our natural paths along with paved ones that will take you around our awesome town. You'll walk by our skatepark, pump track and many parks that surround our community. We offer a great variety of restaurants, many local to our town and some familiar ones you no doubt have seen in your travels here. Along with our great food, you can find one-of-a-kind shops filled with handmade items and things you just might not find anywhere else. Our commercial district offers many other unique products as well, including vehicle maintenance, car washes, and many other specialized services. We also have a huge off-leash dog park, so you don't have to leave your best friend at home all weekend. Go walk along the river, relax and take in the mountain view in the background.

But don't take my word for all this. These are just some of the reasons we chose Black Diamond to raise our family; see for yourself! We invite you to explore our growing community and discover the friendly and welcoming atmosphere that our residents and business owners are proud to call home!

As a coach, teacher and Mayor of Black Diamond, I wish you all luck in the tournament! It is my hope that your time here is filled with wonderful memories, and when you visit us again, you'll think back to the great times you had!

2022 Provincial Girls Basketball Provincials

On behalf of the Village of Longview, we would like to extend a warm welcome to the athletes, coaches, parents, families, friends, referees, and support staff attending the 2022 Provincial 2A Girls Basketball Provincials.

This is an opportunity for all the participating athletes to showcase their teamwork, technical skills and celebrate all the hard work.

There's nothing quite like sports when it comes to bringing people together. The next few days is also an opportunity to meet new friends, cheer, and further build camaraderie amongst all the teams.

Welcome, Enjoy and all the best of luck and safe travels on your return home.

Sincerely

With league play disrupted and tournaments being cancelled or rescheduled, the Crusaders had an interesting restart to basketball. Starting the season attending a 4A tournament in Red Deer, the girls encountered a high level of basketball competition. From there, the Crusaders finished 3rd in 4 tournaments, losing to the tournament champions in each semi-final. The Assumption Crusaders finished the season with a 13-1 record. The girls came together in the Zone tournament, playing three excellent games and winning a very close final game versus Vegreville Composite High School. The Crusaders are looking forward to representing the North East Zone at the Oilfields High School in Black Diamond.

The Cougars are excited to be back at Provincials after booking a date to Black Diamond in March 2020. The team is led by three seniors and a talented group of underclassmen. The girls swept league play this year, won tournaments in Lethbridge and Olds, and finished in second place at the Sweet 16 tournament. Go Cougars!

This team started the season with 4 girls hoping to combine teams with a neighbouring town. Our tiny team grew in numbers and in heart. The Saints have battled cancellations and scheduling changes all year. Our first real tournament this year was in our hometown with fans in the stands. Our turning point this year was an OT win in the quarter finals against a team that was honourably mentioned in the second provincial ranking. After capturing bronze that tournament, the girls brought the same heart, determination, and spirit for competition all the way to our zone gold medal finish. Go SAINTS!

The Edmonton Christian Lions are excited to represent the Edmonton Zone in the 2A Provincial Championships and look forward to a great tournament hosted in Black Diamond! Our team is fortunate to play in the Metro Edmonton Div. 2 League where we finished third. Due to tournament restrictions from our district our team only participated in 2 tournaments this year, Totem Hoops at Ross Sheppard and the Bev Facey tournament. Our overall record for the year is 8-8. Good luck to all teams at this year's Championship, it's great to be back playing at Provincials!

The Saints have had an amazing season this year! As a rebuilding year with only 2 veterans, we achieved a season record of 21-4, with those losses totaling 18 points between the 4 games! We attended 6 tournaments and came away with 2 Gold, 2 Silver, and 1 Bronze, and finished our year with a big zone finals Championship win! We are excited to have the opportunity to participate in these Provincial Championships, and we want to wish all the other teams the best of luck and a great tournament weekend. And most of all, as coaches we want to thank this special group of ladies for such an awesome year!

The 2021-2022 Eagles grew a lot throughout the season leading up to provincials. After starting off the season 0-4 against difficult opponents they finished the remainder of their season 12-6. Playing in a very competitive deep south league, the Eagles had the opportunity to test their meddle in each regular season game they played. There were many highlights throughout the season including the overall experience at the Rundle Sweet Sixteen tournament, coming from behind to beat the 3rd ranked team in 3A on senior night by 2 and finally a strong performance at the 2A south zone tournament capped off with a hard fought victory against a strong W.R. Myers squad.

This year's Senior Girls Oilfields Drillers are relatively young with most of the bench consisting of grade 10 athletes. They had a great season finishing second in the Foothills Basketball League. Even with having to reschedule around COVID cancellations, they played in 6 tournaments. A season highlight was winning our home tournament, as well as having strong performance at Okotoks, Olds (Consolation Winner), Vulcan (2nd), Rundle College (5th), and West Island College (4th). The team played well Zones weekend, making it to the final vs Three Hills. It was a close game and the girls finished with silver. Their overall season record was 18-10 going into Provincials. We are very excited to host the first Provincials tournament since the COVID shutdowns and welcome everyone coming to our little community in the Foothills.

The girls have come together as a team throughout this year and we are thrilled to meet our goal of making it to Provincials in 2022. We look forward to some great competition and hope to represent our school and zone very well! We want to thank Oilfields High School for hosting and hope all teams play their best basketball this weekend!
