FROM THE EXECUTIVE DIRECTOR:

Well, it has been two years since an ASAA Championship in Volleyball was held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted – it has been a passion for me since I was a high school student, then later a high school coach and for many years now, a high school athletics administrator. What I did learn over the past 20 months since the pandemic started was that the passion students, coaches and parents/guardians have for school sport is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received in the fall of 2021 point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport. While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school

sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the modifications being applied at this event.

I wish to thank the championship hosts Kathy Lalor, Kirsten Dezutter, Principal Chris Good, and all the students and volunteers at Lindsay Thurber Comprehensive for their positive approach to this 4A Volleyball ASAA Championship and for doing all they can to ensure a safe and enjoyable event for all student athletes, coaches and spectators attending. We cannot run our championships without these outstanding volunteers.

I wish you all well,

JOHN PATON
EXECUTIVE DIRECTOR
ASAA

PRINCIPAL'S MESSAGE

On behalf of École Lindsay Thurber High School I would like to welcome all teams to the 2021 Alberta 4A volleyball provincials. Our school is excited to be hosting this event and we look forward to seeing some great competition this weekend. Lindsay Thurber has a long and proud history of hosting many ASAA provincial championship tournaments and after a year without championships we are excited to host this important event. Congratulations to all of the teams who have qualified for provincials this year, it is always a hard road to get here and all teams should be proud to get to represent their zone this weekend. This weekend is your opportunity to showcase all of the hard work, resilience and tenacity you have needed in order to get here.

I encourage all athletes to enjoy the next few days, play hard and enjoy the time with your teammates and friends. Many past competitors have used high school provincials as a stepping stone to playing in university, the national team or even the Olympics. I look forward to seeing some great competition and sportsmanship over the next few days.

I would also like to welcome all coaches, parents and volunteers to our tournament. This year the work and commitment required to ensure all our teams get to compete at provincials was a big task. Thank you for everything you have done to ensure it happens.

Good luck to all teams!

Chris Good
Principal of Lindsay Thurber
