- All participants are permitted to use sky caddie/laser range finds/GPS devices to measure distances.
- These devices may not be used for any other reason other than to measure distance (e.g. slope or elevation change)
- These devices will not be provided to participants, if participants use these devices it is as a personal device – THEY MAY NOT BE SHARED · Course marshals will be on-hand to monitor the proper use of these devices

PHONE POLICY

- Phones may be used for measuring devices and GPS apps only. Talking and texting will not be permitted (unless during a medical emergency)
- If used for any other reason than as a measuring device, phones will be confiscated.
- Course marshals will be on-hand to monitor the proper use of phones on the courses.

Spectator Guidelines

Spectators and Coaches can observe play but must maintain a 30 yard distance from players during the course of play, except around the greens where spectators must maintain a 10 yd distance from players. Spectators and coaches are discouraged from walking on tee box areas, fairways and putting greens. They are encouraged to walk on paths and in the rough, avoiding interference with play.

Spectators may not communicate with players, unless there is a medical situation. While on course spectators/coaches are not allowed to offer advice to any player during the provincial championship. Advice is defined as any verbal comment or action that is intended to influence a player: in choosing a club; making a stroke, or; deciding how to play during a hole or round. Note: limit all communication, verbal and non-verbal, which may be construed by others (players, tournament officials/organizers and volunteers) as advice.

Spectators and coaches are not to be keeping score of the players in the group or offering advice with any rulings that may arise during the course of play.

Spectators may assist with finding lost golf balls during the course of play if given permission by the golfer who hit the ball. Spectators are not to communicate, coach or speak with players during the search for golf balls. Spectators must wait until players arrive at the area where the ball has strayed to begin searching for balls. This policy has been enacted to assist the pace of play on the course.

Coaches will be granted the use of a golf cart to check on their team during the round provided the host golf course is allowing carts. If a coach chooses to use a cart, they will be expected to sign a waiver form from the golf course with the understanding any damages that are incurred will be paid by them. We will encourage coaches to double up on carts to help limit the number out of the course. However, parents/guardians will not be granted the use of a cart and will be expected to walk if they choose to follow a group.

Failure to follow the above expectations may result in removal from the course or disqualification from the provincial championship.

Play is suspended immediately; players are to mark and leave their ball and all persons are to return to the Clubhouse or nearest shelter as quickly as possible. Players will wait at the Clubhouse for further instructions to return to their playing position. When players return, a single blast of the horn will indicate safe conditions for golf and play will continue.

Lighting Do's and Don'ts

Do's

- Maintain a distance of 5 meters apart if in groups.
- Stay away from metal objects, including your vehicles, machinery, metal fences, etc.
- Move away from water.
- Crouch down in a depression or low area. When crouching, remain kneeling, bend forward and put your hands on your knees.
- Inform all workers of the potential of adverse weather if predicted by local weather forecasts.
- Inform workers of the emergency procedures if they hear thunder or see lightning.

Don'ts

- **Don't** lie flat on the ground.

Medical Emergency Response:

The threat of a player being struck by an object on the course is a real threat. If an object does come in contact with a player while on the course they will be assessed and one of the following actions will be taken:

Lloydminster Golf & Curling Center - (306) 825-5494 - Press #1 for Pro Shop
 Rolling Green Fairways - (780) 875 - 4653

Step 1 – First Aid

If an injured person is discovered; appears the injuries are not life-threatening, call the Pro Shop for a First Responder to attend the scene. They will have a First Aid Kit and come to your location. They'll determine if the injury is serious enough to activate step 2.

Step 2 – Call for EMS Assistance - 911

When injuries appear critical or have anything to do with **BRAIN, HEART, OR LUNGS Call 911** and give them any information you have about the emergency.

- State you're calling from Lloydminster Golf & Curling Center or the Rolling Green Fairways and your name, and the hole you are on
- State there is an injured individual that requires EMT, or may be having a heart attack.
- Then call Pro Shop for assistance, First Aid Kit and/or the AED.

Fire or Severe Damage to Golf Course Buildings:

In the event of a fire or alarm all patrons of the building will be directed by one of the staff to the designated exit which is safest to exit. Once outside, patrons will then proceed to a muster point until emergency services have been called and deemed it safe to re-enter the building.
